"There has been a pragmatic shift in the consumer purchasing behavior in the recent times. An increasing number of consumers are vouching for the online shopping getaways, owing to the growing Internet penetration, ease of use and the enormity of options available," said Bala Parthasarathy, Managing Director, Europe and Asia Pacific, Snapfish, HP.

"The partnership with eBay India, the most popular online shopping portal in the country, enables us to enrich the eBay consumer experience by offering them the convenience of uploading and sharing their memories as well as

creating personalized products instantly," added Parthasarathy.

Kashyap Vadapalli, Director-Marketing, eBay India, said, "As the globally preferred brand for shopping online, eBay continuously works towards bringing in innovative products and services to the growing base of Indian online shoppers. The strategic alliance with Snapfish by HP provides us an opportunity to further expand our offerings, enabling our consumers to customize products with their personal pictures and purchase them online."
